

Seguros de Occidente Guatemala

- Founded in 1979
- Offers both life and non-life insurance including group life, endowment, medical, and accidental death and dismemberment
- Fourth largest insurance company in Guatemala
- Total premium income in 2006 exceeded GTQ 173 million, of which life and group life insurance accounted to GTQ 101 million
- Ranked first in the life insurance market
- Rating "AA-" stable re-assigned by FITCH RATINGS in June 2007
- Member of the Swiss Life Network since 1989

Special Advantages

- In special cases a profit commission of up to 30% of the risk premium is offered, this may be used to reduce premiums or to increase the sums insured
- Long-term pension programs with the highest yields in the financial market are offered through special trust funds
